## Book Blurbs:

*Beat the Reaper* by Josh Bazell

The story of Dr. Peter Brown, a former Mafia henchman, who practices at a truly awful hospital. Fast paced, bloody, vulgar, outrageous, and funny. Informative footnotes included. Parental guidance advised.

Find this book in the library at FIC/BAZ.

*Wingnuts: How the Lunatic Fringe is Hijacking America* by John Avlon

A review of the inflammatory political rhetoric we hear every day. The author criticizes both the left and right, but comes down hardest on the right.

Find this book in the library at 320.509/AVL.

*The Day Wall Street Exploded* by Beverly Gage

In September 1920, a massive explosion rocked Wall Street. Now largely forgotten, it was one of many terrorist acts in the early 20th century. Whodunnit?

Find this book in the library at 974.71/GAG.
