Library System of Lebanon County

Library Cards and Cardholder Responsibilities Policy

How To Obtain a Lebanon County Library Card

Lebanon County Residents: Lebanon County residents are eligible to register for a Library System of Lebanon County (LSLC) card for no fee. This card provides borrowing privileges at any of the six libraries in the county. Applications are available at each of the six libraries.

To register, you must provide valid proof of residency and identification, and complete and sign a registration form. This signed form will remain on file at the library at which you registered.

Pennsylvania Residents: Pennsylvania residents who hold a valid Access Pennsylvania library card may use the services of Lebanon County libraries as long as they have a valid card. Pennsylvania residents outside of Lebanon County with an Access Pennsylvania card must complete and sign a Library System of Lebanon County registration form and agree to abide by the county-wide policies. Each LSLC member library may reserve the right to restrict non-circulating items for lending outside of the county.

Pennsylvania residents from an out-of-county library may obtain a Lebanon County library card.

Non-Lebanon County Residents who do not have a valid out-of-county library card may obtain a temporary pass to use the library computers by presenting valid proof of residency and identification.

Children Under 18: Juvenile cards are issued to county resident children. Children under the age of 18 must have a parent or legal guardian co-sign their library card registration form. The parent or legal guardian must provide proper ID and proof of address. The parent or legal guardian assumes responsibility for the materials borrowed on the child’s card. [see cardholder responsibilities]

Cardholder Responsibilities

Once a library card is issued, the cardholder, regardless of age, will be the only individual authorized to use his or her card.

Library card holders must have their library cards or valid photo ID with them in order to borrow materials and use the computers [see Addendum A].

The card holder is responsible for the cost of any lost or damaged items, as well as for any fines for late materials borrowed on the card.

Parents or guardians are accountable for all materials borrowed by their children under the age of 18.

Lost or Stolen Cards: Initial library cards are free. Card holders should contact the library if their card is lost or stolen. Replacement cards cost $2.00.

Address/Contact Information Changes: Library members should notify the library at which they registered to report address, telephone, or email changes.
**Borrower Privileges:**

Library cards are valid for use at all Lebanon County member libraries. Registered card holders may borrow physical and digital library materials, attend library programs, and use library computers.

Registered borrowers may use their library barcode number to access online services from home. Online services include the ebook library, Access PA databases, and the online catalog.
